Title: SECURITY SYSTEM FOR DIGITAL CINEMA

DECLARATION UNDER 37 C.F.R. § 1.131

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir,

I, Paul Moroney, hereby declare as follows:

1. I am the named and true inventor in the above referenced patent application and that I am the sole inventor of the subject matter disclosed and claimed in the above referenced patent application.

2. I submitted a description of my invention, now claimed claims 1-36 of the above application, to the law department of General Instrument Corporation in an "Invention Record Form." I signed the Invention Record Form on December 22, 2000 and the signatures on the Invention Record Form are my own. A copy of the Invention Record Form is provided with this declaration as Attachment A. General Instrument Corporation Invention Record Form No. D02635.

3. I conceived the invention recited in claims 1-36 of the above application prior to December 31, 2002. See, Attachment A.
4. I constructively reduced my invention to practice prior to July 10, 2001, and this reduction was memorialized in General Instrument Corporation Invention Record Form No. D02635, to which Petr Peterka, a General Instrument Corporation employee, served as a witness on December 22, 2000. See Attachment A.
5. Upon information and belief, the date of receipt of General Instrument Corporation Invention Record Form No. D02635 by the General Instrument Corporation law department was December 27, 2000, as evidenced by the "General Instrument Corporation Intellectual Property" date stamp, and the "DEC-27-00 WED 12:52 SYSTEM ENGINEERING" fax header visible on the first page of Attachment A.
6. I hereby declare that all statements made herein based upon knowledge are true, and that all statements made based on upon information and belief are believed to be true. These statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under § 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
